

GFC Harvest Grant Spring 2025 Potential Follow Up Questions

How will this project be sustained?

Provide qualifications of the individual(s) to complete the project including project responsibilities and relevant knowledge.

How does the proposed project align with your organization's mission and goals?

Can you describe the primary population served?

How will you measure the success and impact of your project?

What challenges or obstacles do you expect in implementing this project, and how do you plan to overcome them?

How will the project impact the community or food system beyond the immediate population served?

Can you describe the potential for your project to be expanded or replicated in other communities or regions?

What steps will be taken to ensure the project's inclusivity and accessibility for all community members, particularly marginalized groups?

Are you planning to collaborate with any other group or organization?
