Take Away Hunger is a food relief organization that unites teams of local volunteers. The Grinnell board coordinates four community-wide packaging events annually. Our teams package highly nutritious food that is sent both domestically and internationally. Since 2006, the organization has packaged more than 800,000 meals.

OUR MISSION

The mission of Grinnell's Take Away Hunger program is to reduce hunger around the world through local volunteers working together to package food. Our participants make a global impact by "giving through doing." TAH is the only local, hands-on food packaging group that reaches beyond the Grinnell community.

HOW TO HELP

Volunteering Opportunities

Volunteers are always needed for our packaging events. Potential volunteers can help as individuals in a variety of tasks, such as taping together boxes, unloading the supplies, etc. or as teams putting together packets during the event. Whether you're 6, 16, or 66 we will find a job for you!

Each team consists of 12 volunteers and packages for one 45 minute shift. During that time your team will package more than 1,500 meals to help fight hunger around the world. The cost to participate is \$360 per team. This covers the cost of supplies and shipping the meals where they are needed most.

If you are passionate about feeding the hungry, consider becoming a member of our board of directors. We are always looking for people to

serve on our board who are as determined to fight hunger as we are.

For more information on volunteering at our packaging events or joining our advisory board, contact Heidi Ramaeker Pearson at 515-460-3678.

Giving Opportunities

You can also become a Friend of Take Away Hunger by supporting Grinnell TAH philanthropically. Money raised through our Friends program will defray the participation costs for groups, especially youth groups, who find raising the full cost of participation more challenging. By making a donation you will help finance our food producing efforts. Donations can be sent to the Claude W. and Dolly Ahrens Foundation or made online at www.ahrensfamilyfoundation.org.

Take Away Hunger not only nourishes hungry children, but also the spirits of volunteers who pack the meals. It's based on the simple principle of people helping people, even kids!
